

INVEST IN STRENGTHENING TRIBAL COLLEGES AND UNIVERSITIES

37 Tribal Colleges & Universities in the US

The Congressional Investment in the ED-Strengthening TCUs Program will be cut in *half* beginning in FY2020. Action is needed now to:

- Permanently Authorize and Fund Part F
- Support equitable funding for Part A

The Strengthening Institutions program (HEA Title III, Parts A and F) provides essential formula based aid to TCUs. Together, Parts A and F help provide TCUs the resources to help tribes and rural communities build a skilled Native workforce, support underserved students through wraparound services, modernize fiscal management systems, and build safer 21st century campuses.

Without Congressional action, this vital program will expire this year resulting in catastrophic losses to TCUs, their communities, and their states.

Your Investment is Paying Off:

- **Construction/Renovation:** Construction of new buildings; renovation of existing buildings; campus expansion
- **Infrastructure:** IT hardware and cyber-security upgrades
- **Student Support Services:** Tutoring; writing and math labs; retention and recruitment programs; other wraparound services; funding for support staff
- **Campus Safety:** Security cameras and outdoor lighting
- **Faculty:** Hiring and support credentialed faculty in key fields
- **Professional Development:** Faculty and staff for professional development required for licensing and accreditation
- **Accreditation:** Achieving and maintaining compliance
- **Native Language/Culture:** Investment in innovative and critically needed programming; academic and community-based language fluency programs
- **Academic Programs:** Development of new programs in high demand and emerging fields
- **Library Service:** Purchase of new and online books and subscriptions; digitization of archives and tribal records
- **Endowments:** Establishment of, and contribution to, endowments for student scholarships, faculty, and long-term sustainability
