

## Coaches Code of Conduct

As a tribal college athletic coach ...

I am a representative of a tribal college community, a culture and an entire Tribal College Movement.

I have the opportunity to shape a student's character, goals, and skills through their desire to participate in athletics.

I believe a student's education is completed through the beneficial influence of a challenging, fair, and ethical athletic program.

I understand that game results are momentary, while the skills gained from participation last a lifetime.

I will promote a mutual respect, fairness, integrity, honor, and maintain the best interest of the student as the highest priority.

I will guide and monitor the moral, mental, and physical wellbeing of the student.

I will be a leader and mentor for students.

I will act with the utmost decorum, humility, and courtesy at all times.

My success is in helping students seek their greatest purpose in life.

Therefore, in my role and duty as a tribal college coach, I will carry full responsibility for the safety, growth, and actions of Tribal College students. This is a profound trust.

I sign the AIHEC Athletic Coaches Code of Conduct as a testament to my commitment to tribal college athletics, and as a representative of my tribal college institution,

\_\_\_\_\_. I value the intent and spirit of the AIHEC Coaches Code, and will adhere to the expectations mentioned above.
